Cultivating Healthy Environments Grantmaking Program

Applications will be available for download on <https://apply.thrivingenvironments.org/> until June 30, 2025.

To access and download a copy of your application(s), you will need to log in to your SM Apply account then click “My Applications” in the upper-right corner.

To download a copy of your application, click on the menu button with 3 dots in the corner of the box listing your application. Select "Download" to save a PDF of this information.

Due to the closure of the Cultivating Healthy Environments Grantmaking Program, we regret that we are unable to provide any additional technical or programmatic assistance.
